Reading comprehension

Peter is a lazy boy. He usually gets up late. He always eats unhealthy food. He is fond of pizza, sandwiches and fried food.

He also admires sweets like candies, chocolate, lollipops and biscuits. When he feels thirsty, he drinks fizzy drinks. He never eats homemade food. In his free time, Peter usually stays at home. Either he watches TV or he plays computer games. He never practises sport or plays with his friends outside. He often spends his free time in front of the TV set. He sometimes goes to bed at midnight because he spends more than 3 hours playing computer games.

Today, Peter is sick. His mother says: You must go to the doctor.

At the doctor's:

- Good morning doctor. My name is Peter.
- Good morning Peter. What's wrong?
- I'm not feeling well doctor. I have a strong headache and a terrible stomachache.
- Do you eat healthy food?
- No doctor. I usually eat junk food.
- Do you go to bed early?
- No, I go to bed late.
- Pay attention to your health Peter. You should eat healthy food and drink much water. You shouldn't watch TV for a long time. That's harmful to your eyes. You should take some medicines and you will be
