The text:

Dear Julia,

I hope that you are doing well. My name is Sarah. I am a Tunisian girl and I live in Hammamet. Hammamet is a beautiful city in the north of Tunisia. My neighbourhood is peaceful and clean. There are many big houses, supermarkets and restaurants. People are nice and helpful there. On Sunday, my friends and I always meet to collect papers and water plants and flowers. That's why, the streets are always clean. We also share food with the poor families and give a hand to sick people at hospitals. What about you and your neighbourhood?

Love

Sarah
